CNC Operators All Shifts

Watry Industries, LLC is located in Sheboygan, Wisconsin along the scenic shore Lake Michigan and is seeking CNC Operators on all Shifts. Founded in 1957, Watry Industries is a progressive, highly automated aluminum foundry with extensive machining and powder coating capabilities serving a diversified customer base.

Primary Functions of the CNC Operator

Produces machined parts by operating a computer numerical control (CNC) machine, performing a standard series of progressive machining operations to close and exacting tolerances. Changes tools and assists with or performs standard set-ups.

Primary Duties and Overall Responsibilities

- Following detailed instructions, operates CNC and other machines to perform standard and repetitive sequences of operations where programs are proved and setups made and maintained by others
- Drilling, boring, milling, turning and balancing, as required
- Working from detailed process instructions
- Using precision measuring instruments or limit gauges to check machine positioning
- Inspecting your own work for quality
- Meeting rate for each part, while maintaining quality
- Maintaining a clean work environment
- Taking responsibility for equipment care and basic maintenance
- Assisting other operators as needed
- Recognizing own capabilities and taking initiative to continually improve
- Performing other duties as assigned

Physical Requirements

The physical requirements for this position require continuous standing and intermittent walking, bending, sitting, pushing/pulling and lifting of parts that may at times be in excess of 50 pounds. The CNC Operator should have the physical and mental ability to perform the above necessary job functions while maintaining an exemplary safety record.

Watry Industries, LLC offers a robust benefit plan which includes: health, dental and vision insurance, life insurance, short term disability, long term disability, and flexible spending for medical and dependent care expenses.

If you are interested in working in a progressive and collaborative environment please send your cover letter and resume to dpratt@watry.com along with compensation history.

Watry Industries, LLC is an Equal Opportunity Employer
Females, Minorities, Protected Veterans, and Individuals with Disabilities are encouraged to apply.
